Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

Organization of work

Note by the Chair

I. Subsidiary bodies

1. During its previous sessions, the Special Committee conducted its work by considering the items before it directly at its plenary meetings. The meetings of the Bureau are open to all members of the Special Committee. The Special Committee has increasingly relied on informal consultations, thus striving to keep the number of its formal meetings to a minimum.

2. The Chair recommends to the Special Committee that it continue to use informal meetings to the maximum extent possible. In the meantime, the Chair may wish to discuss urgent as well as specific issues with the Bureau.

II. Allocation of items and procedure for consideration

3. Annexed to the present note is a list of pending matters for consideration by the Special Committee during 2013. It includes decisions adopted by the Special Committee together with an indication of the procedure that the Committee may wish to adopt for each item. In this regard, the Chair would like to draw the particular attention of the Special Committee to paragraph 7 (d) of General Assembly resolution 67/134, in which the Special Committee was requested to develop and finalize, as soon as possible and in cooperation with the administering Power and the Territory in question, a constructive programme of work on a case-by-case basis for the Non-Self-Governing Territories to facilitate implementation of the mandate of the Special Committee and the relevant resolutions on decolonization, including resolutions on specific Territories.

4. The Special Committee should take into account the resolutions and decisions adopted by the General Assembly at its sixty-seventh session that are relevant to the work of the Committee, as listed in the note by the Secretary-General on the subject

(A/AC.109/2013/L.1). It is also understood that the Special Committee should be guided by General Assembly resolution 65/119, in which Member States were called upon to intensify their efforts to continue to implement the plan of action for the Second International Decade for the Eradication of Colonialism[1] and to cooperate with the Special Committee in updating the plan, as necessary, with a view to using it as the basis for a plan of action for the Third International Decade for the Eradication of Colonialism.

III. Order of priority for consideration of items

5. The Chair will hold consultations with regard to the order of priority to be given for the consideration of items in plenary meetings and on specific activities envisaged under the plan of action for the Third International Decade.

6. In the meantime, it is suggested that the Special Committee conduct its substantive work in accordance with the schedule of meetings approved by the General Assembly at its sixty-seventh session.[2]

IV. Recommendations of the Special Committee to the General Assembly

7. In accordance with established practice, it is suggested that the Committee continue to formulate its decisions in General Assembly form and to submit them to the Assembly at its sixty-eighth session. The Special Committee may also wish to recommend that its Rapporteur continue to follow the established format of its report to the Assembly.

V. Utilization of conference-servicing resources

8. At its sixty-seventh session, the General Assembly decided to waive rules 67 and 108 of its rules of procedure in order to permit meetings to be declared open and debates to proceed without the presence of the quorum required under those rules. The Assembly also decided that morning meetings should begin at 10 a.m.

9. As those measures have further enhanced the effective utilization of conference-servicing resources, it is suggested that the Special Committee continue to follow the same procedure. It should be understood that, in accordance with the rules cited, the presence of a majority of the members would continue to be required for any decisions to be taken.
